A.1. Current position

| | | | |
|---------------------|--|--------------|--|
| Job Title | Senior university lecturer | | |
| Starting date | 2021 | | |
| Institution | Universidad de las Islas Baleares | | |
| Department / Centre | Department of Nursing and Physiotherapy / Faculty of Nursing and Physiotherapy | | |
| Country | Spain | Phone Number | |
| Keywords | | | |

A.3. Education

| Degree/Master/PhD | University / Country | Year |
|--|---|------|
| Graduat en psicologia | Universidad de las Islas Baleares / Spain | 2020 |
| Doctora en Medicina y Cirugía. Programa de Salud pública y Metodología de la Investigación clínica | Universitat Autònoma de Barcelona / Spain | 2007 |
| Master of Science in Clinical Epidemiology | Netherlands Institute for Health Sciences / Holland | 2004 |
| Licenciada en Biología | Universitat de Barcelona / Spain | 1996 |

Part B. CV SUMMARY

- Dr. Yañez (Biologist, psychologist, epidemiologist, and Ph.D. in Medicine) has been a lecturer in epidemiology and statistics at the University of the Balearic Islands (UIB) since 2010 and occupying a permanent position as a Tenured Professor since 2016. She has been involved in undergraduate and postgraduate activities as well as the supervision of Master's and PhD thesis. In the last five years, she has supervised 3 Ph.D. and 7 Master's theses all obtained very good marks. She has been leading and participating in a number of competitive research projects (actually is involved in 7 projects).

She has published a total of 98 research papers, 77 of which are in high-quality journals indexed in JCR (45 of these 77 have been published in the last five years). Among her published articles 38 belong to T1 journals (9 D1 and 30 Q1). She is the first, last, or corresponding author in 36 JCR papers (h-index = 26). She is an editor and reviewer of JCR journals. To date, she has participated in 80 conferences with presentation papers, communications, and posters. Dr. Yañez contributed in 2019 to the design and implementation of a new official MSc degree in Health Research and Innovation (UIB) and since then she is the director.

Both past and present Dr. Yañez research lines focus on the study of lifestyle patterns (diet, physical activity, smoking, sedentarism) and their influence on chronic diseases

development, i.e., obesity, diabetes, chronic obstructive pulmonary disease, mental health, and cardiovascular disease.

Part C. RELEVANT ACCOMPLISHMENTS
